DESCRIPTION:

EcoEnclose on the Precipice of History! Never before has a poly mailer been made with this level of recycled content – we continue to push the eco-limits! Our Recycled Poly Mailers are constructed from a previously unattainable minimum of 88% post-consumer & post-industrial content! How's that for reducing landfill waste?

By choosing EcoEnclose Recycled Poly Mailers, NOT ONLY will you impress your earth-conscious clientele, reduce landfill waste, AND reduce demand for virgin plastics, BUT you will actually save money in the process! A genuinely innovative win-win!

EcoEnclose Recycled Poly Mailers feature a handy tear strip for easy opening; our self-seal adhesive strip provides a permanent closure. And most importantly for our discerning clientele, EcoEnclose Recycled Poly mailers are an earth-friendly, lightweight, affordable shipping solution!
